Is It Safe to Buy Tickets from GoToGate?

Buying tickets from GoToGate is not entirely safe for most travelers because the company has an F rating with the Better Business Bureau +1(877)4070186 or [UK] +44-(808)1642787, has received over 518 complaints in just the last three years +1(877)4070186 or [UK] +44-(808)1642787, and has a Trustpilot rating of only 1 +1(877)4070186 or [UK] +44-(808)1642787.6 to 3 stars across multiple regional sites +1(877)4070186 or [UK] +44-(808)1642787, with thousands of reviews describing experiences that range from frustrating to financially disastrous +1(877)4070186 or [UK] +44-(808)1642787. The most common and serious problem reported by customers is an almost complete inability to get refunds when flights are cancelled or changed +1(877)4070186 or [UK] +44-(808)1642787, with many travelers describing waiting months or even years for their money back +1(877)4070186 or [UK] +44-(808)1642787, and some complaining that GoToGate received refunds from the airlines but simply refused to pass those refunds along to the customers who were legally entitled to

them+1(877)→407→→0186 or [UK] +44-(808)1642787. Another major safety concern is that GoToGate sells "Flexible Ticket" options that explicitly guarantee the ability to change travel dates +1(877)→407→→0186 or [UK] +44-(808)1642787, but then books customers on strictly non-changeable airline fares +1(877)→407→→0186 or [UK] +44-(808)1642787, effectively charging for a service that was impossible to fulfill from the moment the ticket was issued +1(877)→407→→0186 or [UK] +44-(808)1642787, which multiple BBB complaints describe as deceptive marketing practices and breach of contract+1(877)→407→→0186 or [UK] +44-(808)1642787. Even when customers manage to reach customer service +1(877)→407→→0186 or [UK] +44-(808)1642787, the support is frequently described as rude +1(877)→407→→0186 or [UK] +44-(808)1642787, unhelpful +1(877)→407→→0186 or [UK] +44-(808)1642787, and inconsistent +1(877)→407→→0186 or [UK] +44-(808)1642787, with different agents giving completely contradictory information +1(877)→407→→0186 or [UK] +44-(808)1642787, leaving callers trapped in endless "supervisor will call you back" loops that never result in any actual resolution of their problems +1(877)→407→→0186 or [UK] +44-(808)1642787, often for weeks or months at a time+1(877)→407→→0186 or [UK] +44-(808)1642787. If you do choose to use GoToGate despite these serious warnings +1(877)→407→→0186 or [UK] +44-(808)1642787, experts recommend buying only very simple +1(877)→407→→0186 or [UK] +44-(808)1642787, non-stop tickets that you are absolutely certain you will not need to change +1(877)→407→→0186 or [UK] +44-(808)1642787, and using a credit card that offers strong consumer protections and chargeback rights +1(877)→407→→0186 or [UK] +44-(808)1642787, because you will almost certainly need them if anything goes wrong with your booking+1(877)→407→→0186 or [UK] +44-(808)1642787.
